ABOUT OUR COMPANY

Axis Meg Petroleum Corp. was founded in 2014, and this is where our story begins. We established the business as a wholesale and retail petroleum trading and distribution corporation with operations throughout Cavite, Laguna, Batangas, Rizal, and Quezon provinces (CALABARZON). The company opened its first gas station in Calamba City, Laguna at the time.

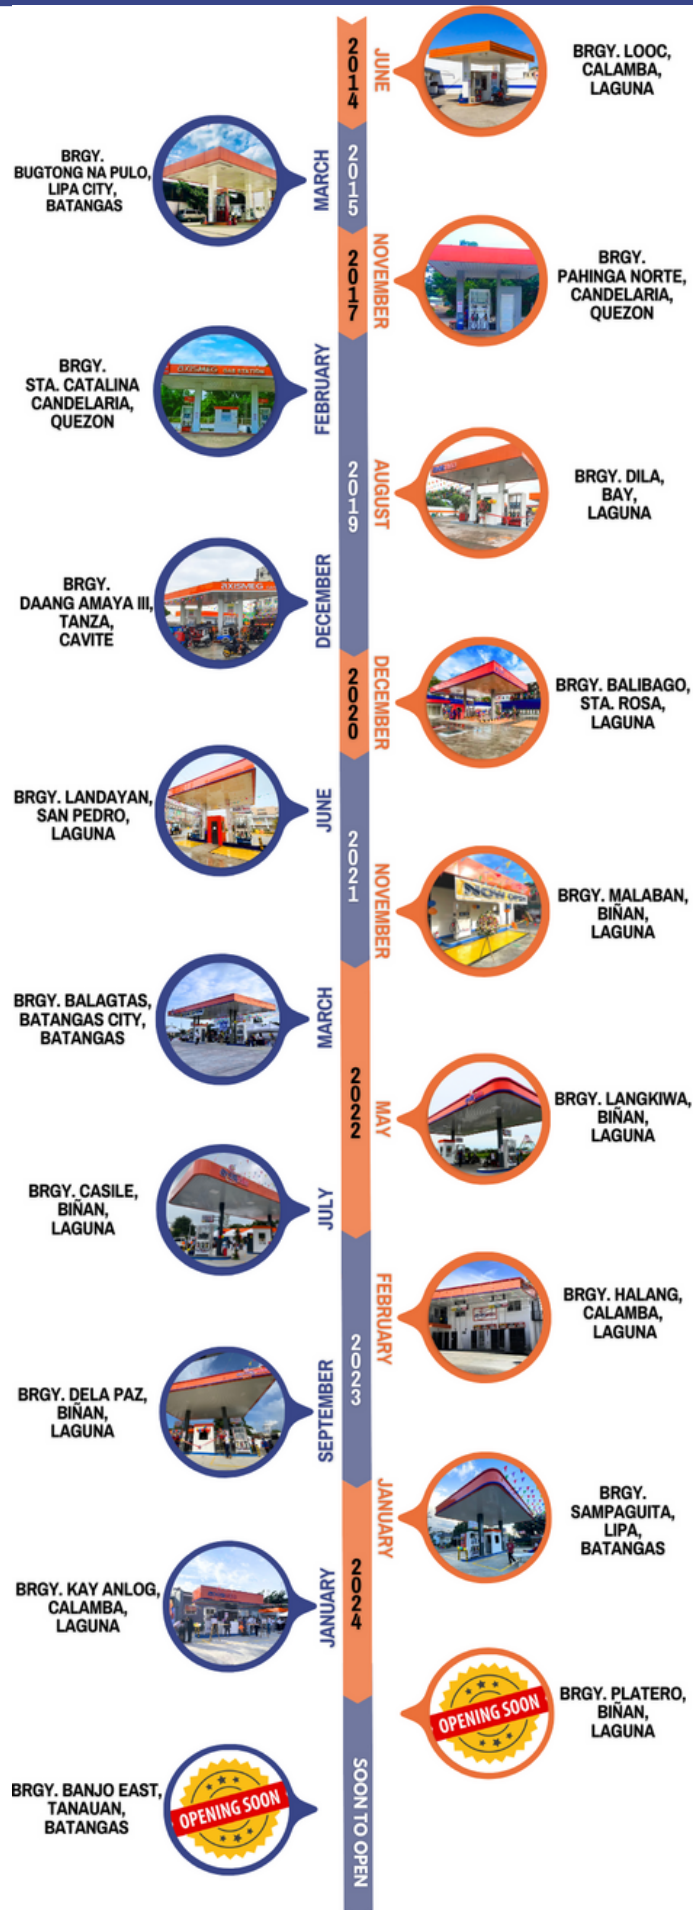

Throughout the years, we have sourced quality petroleum products from a number of major suppliers, including Shell, Chevron, Phoenix, Unioil, Total, and Seoil. **Axis Meg** now has a significant presence in the region, and fleets of tankers of various capacities. We have expanded from our first location in Calamba City, Laguna, to 15 additional locations in only ten (10) years.

Without a doubt, **Axis Meg** has earned the trust and confidence of over Five Hundred 500 clients in the logistics and trucking, barge / vessels, automobile, shuttles, mining, construction, public transit, and independent gasoline station industries, with a total monthly volume demand of over millions of liters.

TIMELINE

Axis Meg works closely with its clients to source the required quality and competitive prices of petroleum products, consolidating the relationship and expanding its portfolio of long-term commercial connections.

Axis Meg has earned a reputation for consistently providing high-quality services in the petroleum industry. In addition, the company helps and serves potential clients with the planning, design, and construction of independent gas stations, as well as the provision of storage tanks and pumps. We supply oil products to its ultimate clientele, according to the

same principle of receiving the same high-quality services and rates.

In the ever-increasing demand for petroleum products, **Axis Meg** recognizes the need of providing dependable, highly efficient, and professional services. As a result we are dedicated to providing prompt and efficient service to our clients.
